- Proactivity and autonomy

WORK EXPERIENCE

• 2021-2023 : Marketing Director

Crispin Médical - Cholet, France

As Marketing Director at Crispin Médical, I led specific marketing strategies in the medical sector, merging a graphic business to promote company growth.

• 2019-2021 : **Sales Manager**

VOO - Brussels, Belgium

As Sales Manager at VOO, I perfected the art of boutique selling. My ability to promote and sell products proved to be a major asset, contributing significantly to the company's sales performance.

• 2019-2021 : Ordering operator

ManPower- Brussels, Belgium

As an order operator at ManPower, I gained effective expertise in order management. My contribution has strengthened the company's operational efficiency."
