

ANTONINO LO BIANCO

JUNIOR WEB DEVELOPER

PROFILE

I'm training to become a web developer with [BeCode](#), and I've also had experience as a marketing manager and graphic designer for Crispin Medical, a medical company, as well as being a sales manager in a boutique at VOO. I'm passionate about web development and my aim is to become a front-end developer with a long-term vision so that I can also master the back-end. With skills such as a desire to learn and commitment, I'm ready to take on stimulating challenges, with a collaborative approach, a critical mind and attention to detail.

WORK EXPERIENCE

Crispin Médical - Cholet, France

Marketing Director - [September 2021 - June 2023](#)

As Marketing Director and Graphic Designer at Crispin Médical, I led specific marketing strategies in the medical sector, merging a graphics business to help the company grow.

VOO - Brussels, Belgium

Sales Manager - [September 2019 - July 2021](#)

As Sales Manager at VOO, I perfected the art of boutique selling. My ability to promote and sell products has proved to be a major asset, making a significant contribution to the company's sales performance.

MANPOWER - Brussels, Belgium

Order operator - [September 2018 - September 2019](#)

As an order operator at ManPower, I gained effective expertise in order management. My contribution has boosted the company's operational efficiency.
